

Hello, my name is Emily. I'm a 15-year-old high school student. During the weekends, I like to relax and spend time doing things I enjoy. On Saturday mornings, I usually sleep in a bit later than usual. After waking up, I have a nice breakfast with my family. Then, I often go for a jog around my neighborhood to get some exercise. In the afternoon, I might meet up with friends to hang out at the mall or go to the movies. Sundays are more laid-back. I use this day to catch up on homework, read books, or binge-watch my favorite TV shows. Overall, weekends are my favorite time of the week because I can unwind and have fun!
